The Bible Gap

There is a fairly common perception that there is little or no interest in the church for an adult Bible study. Not true! There will always be a hunger for God's Word and our churches must work diligently to narrow the Bible gap. Building a biblical base of knowledge works to strengthen the church from within and thus prepares the laity to reach out and be a blessing to the surrounding community. The Bethel Series is the tool that builds a biblically literate congregation.

Jesus Christ

Did you know that Jesus was a highly controversial man? He dealt with issues so profoundly painful that it resulted in his death. See things like you've never seen them before - from Genesis to Revelation.

Instructors

A complete list of instructors / facilitators will be offered to you after the next meeting of the Bethel group.

The Bethel Series

The Bethel Series, an overview of the Scriptures, uses the entire Bible as its textbook. It's a two-year program that involves disciplined study and commitment.

Building upon Bishop Charlie Masters pillar for our congregation to become biblically literate, our students who have taken the two year teaching course are now ready to walk with you on your journey from Genesis to Revelation.

The Bethel Series is not just another series of Bible classes. It is a carefully planned program that will equip our church family for ministry for years to come.

Through the study of the Bible people of the church are called to live their daily lives in accordance with God's Word.

The course structure

You are **not** required to make a two year commitment, although you are encouraged to take in as many classes as you are able. Please stay tuned to new issues of this bulletin for more information on schedules and costs. There will be six semesters, the first three will be on the Old Testament and the last three will be on the New Testament. Each semester is six weeks long with a break in between them.

Time and place

Class sizes, times and locations have not yet been finalized. Speaking from our experiences from those of us who have taken the Bethel Series; once you start a class you will be looking forward to the next!
