Help Needed: Sunday Worship

For many years Lois has been the main person organizing the power point and sound system for Sunday worship, and while this has been a generous act on her part, it means that few people know how to help with this ministry. Given that she has decided to step away from this, we need to share the load by training some people to help out in this way. If you are willing to 'take your turn', after training of course, please speak with Hayward, the warden.
