Jonah 3:1. The Word of the LORD came to Jonah a second time, saying,
Go tell!

We are seen, called, and given many chances by GOD!

Jonah had a specific call to Go tell Nineveh Jonah ignored the first call and tried to run away ... but GOD had him arrested in the belly of a whale where he was held for three days and then he was literally vomited out of the whale's belly onto dry land. GOD got his attention! And gave him a second chance.

In the gospel, when Jesus called, the fisherman responded immediately, Mark tells us.
What a contrast to Jonah.

The message given to Jonah for Nineveh, and the message for the disciples was the same.
"The time is fulfilled, and the kingdom of God is at hand. Repent, and believe in the gospel."

The same message is given today. We are called to "Go tell!"
Sometimes it won't turn out as we think or want but, it will always be right if we listen to GOD.

Father, open our hearts and eyes to see and hear who it is that You are sending us to without prejudice. Help us to be faithful!
